I would like to announce, for the first time ever, Coach Griffin Osborne's Mini Soccer Camp this summer 2016. Four days a week for two weeks I will be offering an intensive soccer camp for grades 4-6. We will be playing mornings from 10:00-12:00 at Chelsea Waterside Park with a lunch break from 12:00-1:00 followed by a second session from 1:00-3:00 (the location for which will be determined based on field availability). This camp will be based around developing the skills and athleticism of youth soccer players in grades 4-6. Drills will facilitate technical soccer ability, athletic prowess, and teamwork. If your child has enrolled in any of the Advanced Soccer classes, or has played in any other youth soccer program, this is a perfect opportunity for them to do something fun, fulfilling and challenging over the summer. I look forward to spending this summer helping to develop future soccer stars. If you have any questions or concerns, please feel free to email PS11 Programs at ps11programs@aol.com or my personal email which I've listed below. Thank you and I hope to see many of you this July!

Sincerely, Griffin Osborne
