Welcome back! We hope you had an amazing summer.

The Afterschool Program is celebrating its 21st year at PS 11. PS 11 Programs Inc, is a not-for-profit community based organization that works in partnership with PS 11. We offer a safe, caring, creative and enriching learning environment that supports and encourages each student to develop to their fullest potential - socially, emotionally, intellectually and physically. We offer a partnership between school, home and the community with the responsibility to support our students in becoming independent members of society.

Our Afterschool program is offered every school day from 3:00-6:00 to children PreK through 5th grade. We have a variety of enrichment classes that provide children with opportunities to have new experiences, learn new skills and develop new friendships.

We are very excited to be converting to an online registration and program management system, Eleyo. This system will change many of our existing procedures and policies. Families should begin by creating a profile at <https://ps11programs.ce.eleyo.com>. A Family Help Sheet is available on our website to help guide you through the process.

The Afterschool program begins on Monday, September 24th. Schedules will be available on our website, www.ps11programs.com, and from the afterschool office by the end of August. Online registration will open Thursday, September 13th at <https://ps11programs.ce.eleyo.com>. We will have computers available at PS 11 during the registration time for any families that need the support. Scholarship applications will be accepted beginning Monday, September 17th. More specific details about the registration process will be forthcoming.

The fees for the afterschool program will be: \$20 for Session 1 (3-4:30), \$17.50 for Session 2 (4:30-6:00). If you meet the federal income guidelines for free lunch, the rates are \$13 for Session 1 (3-4:30), \$10 for Session 2 (4:30-6:00). No family is ever turned away if they are unable to afford these rates - scholarships are available.

Interim Afterschool Program at PS 11 will begin on the first day of school, Wednesday, September 5th, with a 2-week interim program. This program runs from September 5th thru September 21st. The activities will include Arts & Crafts, Sports, Games, Swimming & More!
