April 12, 2020

We are so sad and overwhelmed by the news that we will not be returning to PS 11 this school year. The best part of our job is the relationships that we have with you and your children. Not seeing all of you each day is heartbreaking. But we are still here, and determined to help your children stay engaged and active during these difficult times.

We will start to process credits/refunds to your accounts. This is a very labor intensive process and will take some time. Please do not email us at this point. We will be sending a survey to you this week so you can indicate whether you need us to cancel and refund any payments; credit money to future programming (either online this year, summer (we hope!) or next Fall); or keep as a donation to afterschool. This is a request that we are hesitant to make, but if you are in a position to do so, it would help us immensely.

We have been working hard to move as many of our classes online as possible. We have been cooking, dancing, coding, rocking and rolling, playing soccer and so much more.

- Online classes will continue. Links will be sent each morning to registered students. New this week: Chess, Capoeira, WonderHut Science and a second Sewing class
- We have opened up some classes to all students - whether you are currently enrolled in that class or not. A great opportunity for your child to try out a new class, learn a new skill and meet up with friends and classmates. We have a list of open classes available on our website, www.ps11programs.com. Links are posted on Sundays and updated throughout the week. You can join any available class but please try to join the class at the indicated time. This option is really flexible. You can join when you want, no weekly commitment. Although afterschool rates will apply, no payments will be required. Families can use the credits from payments already made toward these classes.
- We will also be offering some new programs and classes to be announced this week including new from Spark Academy - Sports Management, Young Bulls & Bears and Young Diplomats. You can register for these classes on Eleyo (www.ps11programs.ce.eleyo.com)
- We are pleased to invite parents and guardians to join a free ADULT yoga class with Ayelet on Monday mornings at 10:30 am. Link (<https://us02web.zoom.us/j/238639095?pwd=cEhRdlRjVjZZSnNORzZxUDkrazBYZz09>) is on our website.

We do not have any information at this time about Summer Camp. We are, however, considered an essential service so in the event that businesses begin to open up and people return to work, we would be in a position to operate a day camp. More to come on that....

Please let us know if there is anything you need from us or anything we can do to make these crazy times a little more bearable.

We miss you all, and can not wait to see you again.

Stay safe and healthy - Debbie & the Afterschool Team
